Palestinian National Internet Naming Authority, PNINA

ADMINISTRATIVE PANEL DECISION

**GEMZO Communication and Information Technology Company Private
Shareholding Company**

Versus

Mr. Rami Alhaj Issa

Case No. D2009-001

1. The Parties

The Complainant is GEMZO Communication and Information Technology Company of Al-Bireh, Ramallah, Palestine, represented by Mr. Basil Gharib, General Manager

The Respondent is Mr. Rami Alhaj Issa from Ramallah, West Bank, Palestine.

2. The Domain Name and Registrar

The disputed domain name <GEMZO.PS> is registered with Hadara Technologies of Ramallah, Palestine (Recently re-named Zain Data), which is a certified registrar with the .ps ccTLD registry (PNINA).

3. Procedural History

The Complaint was filed with the Palestinian National Internet Naming Authority (PNINA) on August 23rd, 2009. A request for registrar verification in connection with the domain name at issue was forwarded to PNINA and on the same day, PNINA transmitted its verification response confirming that the Respondent is listed as the registrant and providing the contact details of the listed domain name. On August 25th, 2009 and within the 3-day time frame set in PNINA's Dispute Resolution Procedures available at (<http://www.pnina.ps/pics/DRP-Chart.jpg>) the Complainant was notified by PNINA of the acceptance of the complaint and that the complaint is administratively adequate to initiate a dispute resolution process and the official case number (D2009-001) was assigned. PNINA verified that the Complaint satisfied the formal requirements of the ".ps" Domain Registration Policy (the "Policy"), the adopted Rules for ".ps" Dispute Resolution Policy (the "Rules"), and the ICANN's Uniform Domain Name Dispute Resolution Policy and Rules available at <http://www.icann.org/udrp/udrp-policy-24oct99.htm> (the UDRP Policy and Rules).
